1. Under the provisions of reference directive, the NIS Committee, after consultation with the producing agencies, authorizes that:

a) those NIS units identified by an "X" in column (1) be released to the International Staffs of SACEUR and SACLANC and to their subordinate commands as deemed appropriate by SACEUR and SACLANC for use on a need-to-know basis. It is understood that prior to such release all "Comments on Principal Sources" will be removed and that dissemination of these NIS to the International Staffs is strictly controlled under provisions of NSCIB No. 1.
